

We will be starting a new check-in system this year in AWANA/JVFOOT/FOOT. We believe this is important to aid in attendance records and safety of the children/students once they arrive. We will have a manned station as well as several self-stations. These stations will also print out name tags. Parents, high schoolers, and other listed adults are allowed to check-in/out families as needed. Middle schoolers may self-check in, but may not check anyone else in/out. Please list those approved to check-in/out your child(ren) below:

<u>Name</u>	<u>Relationship</u>	<u>Phone Number</u>
