

Christ Community Church

Worship Team Policy

What we believe : We believe that Jesus Christ is the only savior and the Bible is the only divine standard. God is one. We serve a triune God who sent His only begotten son (His second person) down as a humble man to live a perfect life, die for our sins on a cross, and rise from the dead for the justification of all who believe. **(1 Tim 2:5 ; John 3:16 ; Rom 4:23-5:5)**

Why we believe it : We hold to these truths because we are Christian. Our body is the temple of our God. We are led by the Spirit, known by the Son and kept by the Father. We want to worship and serve Him in a selfless way all the days of our lives. **(1 Cor 6:19-20; Ps 27:4).**

What is worship? : Acts that show our submission to the God we serve. We can and will worship in many ways but on this team our main goal is to steward the corporate worship at CCC. We want to provide a welcoming environment at the beginning of service. We want to skillfully handle all of the music at hand. We want to provide music that does not distract but rather reminds the congregation of the Truth's that are being sung. We are not performers, we are lead worshippers. We set an example for those in the congregation but encourage them to worship God intimately and personally in a way only they can. We do so by being genuine both on stage and off, not faking or coercing any feelings but being honest in our display of worship -rejoicing in truth and contemplating our position toward God. **(John 4:21-26 ; Ps 102:18-22; Rom 12:1).**

Ethical responsibilities : We are some of the first faces the congregation sees on Sunday and therefore some of the first people they associate with CCC and also Christ! We need to, in all things, remember that we represent Jesus Christ. Our testimony is weakened by our personal failures. *Of course not one of us is perfect but we **are** all

being perfected. I expect each member to take care to have integrity in their walk with Christ. Be a doer not just a hearer of the Word. Let's be a light, let's shine brightly in song and in deed each week we are up on stage. (**James 1:22; 1 John 1:6-9 ; Eph 4:10-16**).

Commitment : Members are committed to attending weekly rehearsals, attending the services for which they are scheduled and to be active congregation members praying for, and encouraging the body of Christ here at CCC and abroad. Members are committed to being on time, ready to play at the scheduled time, not just ready to set up. They are also committed to communicating effectively with their worship team and worship Pastor. Diligently responding to emails, texts, calls, etc and paying attention to when they are scheduled. Everyone in the group is encouraged to be practicing, listening and seeking to improve their skills (both musical and spiritual) to bring glory to God each Sunday. All members are actively seeking Jesus in their daily lives - prayer and reading the Word of God are priorities.

Dress Code : Ladies: No ripped clothing, no shorts, no skin-tight apparel, and dresses/skirts must be knee-length or worn with leggings/pants. Men: No sleeveless shirts, no shorts, no ripped clothing, no skin-tight apparel and no tattered work clothes. Keep common sense when dressing. We should be turning the congregation's eyes to Jesus, not turning them to us. If there is ever a question about the modesty of apparel feel free to contact me or to where your CCC worship team T-shirts! (**1 Cor 6:19-20 ; 1 Peter 3:3-4 ; 1 Sam 16:7; Deut 22:5**).

Please know that in all things Christ is our divine authority, the Head of the church and who we aim to please in all we do. That being said, I (Pastor Daniel) have been humbly appointed to guide and direct this worship team. Concerns, disagreements and questions are always welcome but in their proper time and manor. Rehearsal is a great place for minor and music related concerns. Serious disagreements should be prayerfully considered and kept to the discretion of the involved member with the guidance of a Pastor, Deacon or Elder. We want to be a unified body of believers, all of our members are important and should be treated as the image bearers of God that they are. Again, I am always happily available to hear concerns or questions of any kind. Call, email, office visit etc...

Signature of Agreement: I agree to all of the above commitments, requirements and beliefs and with the help of my Lord will do my best to follow and adhere to all the mentioned expectations.
