Christ Community Church is a vibrant church in Beatrice, which is in the Southeast corner of Nebraska. We are a nondenominational church that is passionate about growing the kingdom of God in this part of Nebraska and beyond. The population of Beatrice is 12,000 and is just 40 minutes from the state capital of Lincoln. We are an agricultural community with a passion for living life together. This is Cornhusker country and we are a short 45 minutes away from Memorial Stadium.

This is an amazing position because the ministry is already very strong and waiting for a leader to take over and make it his own. This pastor needs to have a servant's heart to serve Christ and His church. This is a full time 40 hour week position. He will lead worship every Sunday. He will serve as the primary administrator of the worship and creative arts ministries of the church. He will be responsible for the planning, leading, organizing, and evaluating of our comprehensive creative arts ministry. The purposes of the position are to facilitate an atmosphere in which God is worshipped and glorified and the church body is built up.

Here is what is waiting for you.

Opportunity

We have many strong ministries waiting to be led by the right person at CCC. Opportunity waits for a leader to bring their skill set and passion to help people to worship our great God. Worship is at the heart of everything that we do. Corporate worship has a special place in worship to bring just a glimpse of heaven down to our church. It is a special blessing that our people love to sing. Our worship style is blended.

Influence

We are looking for someone that will influence not just our church, but also the community. In smaller communities, everyone pitches in to help to make it a great place to live. Our hope is that we can hire a worship pastor that will first take great care of CCC, but will also use their talents to influence the community for God.

Impact

We currently have one worship team that consist of a total of 20 people that rotate on a planned schedule. Our tech team consists about 10 people. Our choir has 30 voices and is like a family of its own. We have a children's program "AWANA" where worship is taught as well as a production done once a year. These are some of the areas that can be impacted with the proper leadership and vision.

Our Church

We believe our great God has given us the ministry of reconciliation. We do this through sharing the Gospel whenever we have the opportunity. As people come to trust Jesus as their Savior, we are passionate about teaching them to love Him and to each other.

God has given us His Word to direct us on how to live our lives. He also gives us Himself as His Spirit teaches us how to grow in grace and in knowledge of Him. At CCC, we are one big family who loves to help and serve each other in a way that only a family can.

CCC has been ministering to Beatrice and Southeast Nebraska for 30 years. Our mission statement and passion is to “Carry Christ to the Community.” We have a special heart for children and students that do not have a church to share the Gospel with them and show them love.

Beatrice

Opportunity lives in Beatrice! Beatrice is an ideal size city, large enough to have big city amenities and access to resources, yet small enough to have a small town friendly feel.

Beatrice, the county seat of Gage County, is home to the Homestead National Monument of America, attracting an average of 70,000 visitors annually. Beatrice has beautiful city parks, bike trails, water park, YMCA, ball fields, race track, museum and historical society and a dog park.

Beatrice school system strives to be among the best in the nation. Overall, students do better and in many instances significantly better than the state average on State Assessments. The school system just broke ground on an elementary building that is literally next door to the church. We welcome this new neighbor. The Orangeman and Lady Orangeman have strong athletic programs that have competed in many state title events. Southeast Community College is also in Beatrice. It boasts of inter-collegiate athletics, academic transfer courses, agriculture, business and nursing programs.

Cost of living is much lower in Beatrice than in many parts of the country. The housing market has peaked and is starting to be more realistic. The smaller town atmosphere leads to a family feel where you can know as many people as you want to. It is a family friendly city where it will be safe and fun to raise a family.

Most people in Beatrice are passionate about Husker sports. The University of Nebraska in Lincoln is 45 minutes away. Most fall Saturdays many people from Beatrice make their way to Memorial Stadium to support their team if they can't they watch it on TV. Not everyone enjoys football and have the parks, restaurants and stores to themselves.
